Privacy disclosure

Diabetes Australia respects your privacy and personal information. You can view the NDSS Privacy Policy, which contains information about how you can access and correct your personal information held by us at ndss.com.au or you can ask for a copy by calling the NDSS Helpline on **1800 637 700**.

The NDSS Registration Form contains details about how we use, and who can access, your personal information. This includes information provided in this form.

In addition to the entities identified in the NDSS Registration Form, Diabetes Australia may disclose your personal information provided in this form to NDSS Access Points and also to third parties as authorised by the Commonwealth as represented by the Department of Health (Commonwealth).

The Commonwealth may also track your usage of CGM or Flash GM products and your usage may be reported to your treating health professional.

If you choose not to provide us with the information we need, we may not be able to provide you with CGM or Flash GM products through the NDSS.

Updating your personal details

To help you manage your diabetes and to receive timely news and information from the NDSS on products and services, it is important that we have an up-to-date record of your personal details.

To update your details call the NDSS Helpline on **1800 637 700**, or complete the Personal Details Update Form at ndss.com.au, or visit your preferred NDSS Access Point (usually a community pharmacy). In some instances you may need to supply supporting documentation for example change of name, change of medication/script. Below is a list of details you may need to update:

- Address
- Phone/mobile number
- Change of name
- Email
- Concessional status
- Change of medication

Accessing CGM products

Access to CGM products will begin once a completed form is processed by the NDSS. You will receive information confirming the start date and other details.

To access fully-subsidised CGM products, eligible registrants can visit their preferred NDSS Access Point (usually a community pharmacy) and order their approved supplies.

Accessing Flash GM products

To access fully-subsidised Flash GM sensors, eligible registrants can visit their preferred NDSS Access Point (usually a community pharmacy) and order their approved supplies.

If after you receive confirmation of your approval to access subsidised Flash GM, you do not have a compatible mobile device and require a FreeStyle Libre reader free of charge, please contact the manufacturer Abbott at:

ScanMySensor.com.au or on **1800 801 478**

Limits

All people accessing CGM/Flash GM products and their health professionals should understand the lifespan of the fully-subsidised CGM/Flash GM products available through the NDSS.

CGM/Flash GM products have annual limits which have been developed from the manufacturers recommended usage guide.

Access to CGM/Flash GM products is calculated on the number of items accessed in the last 12 months from the present date.

This determines when you will again be able to order more subsidised supplies. It is recommended you only order one month, supply of sensors per order, due to their limited shelf life.

It is recommended to re-order sensors around 14 days prior to running out to ensure uninterrupted access to products i.e. when you start using your second last CGM sensor or last Flash GM.

Troubleshooting CGM/Flash GM devices

If you are having trouble using your device or you believe that it may be faulty, in the first instance you should contact;

AMSL for Dexcom products (**1300 851 056**);

Medtronic for Medtronic products (**1800 777 808**); or

Abbott for Freestyle Libre products (**1800 801 478**).

Contacting the supplier rather than ordering additional supplies may mean you are able to receive a replacement product from AMSL, Medtronic or Abbott, without affecting your CGM/Flash GM product limits.

More information

To find out more or if you have any questions about access to CGM/Flash GM through the CGM Initiative as part of the NDSS you can visit ndss.com.au or call the NDSS Helpline on **1800 637 700** or email info@ndss.com.au

If you or your health professional decide to change a CGM/Flash GM device, or end access to CGM/Flash GM through the NDSS, please complete the Updating or Ceasing Access Form at: ndss.com.au
